

Hofstra PA Program - MDF Ordering Process

Congratulations on your acceptance into Hofstra University's PA Program! At MDF, we know your journey to being a Physician Assistant has been challenging and rigorous. We want to equip you to be the best PA you can be. This starts by providing you the best tools, with the best pricing, all backed by a lifetime warranty. See below for ordering instructions. We're honored to partner with each of you to provide equipment that will support you throughout your education and career!

Ordering Instructions - Orders must be received by July 15th!!

1. Go to <http://www.mdfedu.com/edu/hofstrapa>
2. Fill out your contact information
3. Add your Riester otoscope/ophthalmoscope diagnostic set (this comes with a FREE insufflation bulb and 100 FREE additional specula)
4. Select and add your preferred model of stethoscope
 - With the purchase of the diagnostic set you will receive **\$25 off** your purchase of an MDF ProCardial Titanium or MDF Classic Cardiology model (discount will be reflected immediately when MDF Classic Cardiology or ProCardial Titanium stethoscope and Riester diagnostic set are added to cart)
5. Fill out your payment information
6. That's it! Your equipment will be shipped to campus and distributed by your Hofstra PA faculty

MDF Partner Benefits:

- Lifetime warranty on all MDF equipment
- Full education warranty on Riester diagnostic sets
- Special discounts
- Free-Parts-for-Life Program
- Free donations for student service work
- 10% donation to your Global Medical Brigade on all stethoscope purchases

Please note that engraved stethoscopes are **not** eligible for return.

We are excited to partner with you as you take this next step! Please contact MDF with any questions.
