

Student Health Services

Dear Student,

Your program has indicated that you require clinical verification in order to participate in clinical rotations, internships, or practicum. To obtain clinical verification, follow the steps below.

1. Review and obtain the clinical verification requirements from your program.
2. Upload all requirements to Mediat to the "Upload" section.
  - a. If you believe you are missing any requirement(s), schedule an appointment with your Primary Care Provider or Student Health Services.
3. Complete the form at the bottom of this page and upload a copy of this document to Mediat under "Clinical Verification Submission (for Continuing Students)"
4. Please allow 5 business days for your documentation to be reviewed. We cannot expedite verifications for any reason.
5. Once approved, your clinical verification will be sent to you via secure message on Mediat.

If you have any questions about this process, email [ClinicalVerification@hofstra.edu](mailto:ClinicalVerification@hofstra.edu).

Sincerely,

The Clinical Verification Team at  
Hofstra University Student Health Services
