

To Apply for Undergraduate Admission as a Transfer Student

*Undergraduate transfer applicants to Hofstra University may apply by using this paper application or by using our online application at hofstra.edu/apply (application fee is reduced to \$50 for online applicants). International candidates should file the **Hofstra University International Undergraduate Student Application for Admission**. To receive a copy, contact us at the address listed above. Please be advised that all materials and documents submitted as part of an application become the property of Hofstra University and cannot be returned to the applicant.*

Hofstra University accepts transfer applications for the fall and spring semesters. Transfer candidates are considered on a “rolling basis.” While there is no deadline for applications, students are encouraged to apply on or before **March 1** for the fall semester and **November 1** for the spring semester so as to receive the fullest consideration. Once your application and all supporting credentials are received, your application will be reviewed by our Admission Committee. We begin notifying transfer applicants of their admission decisions in mid-November for the spring and late February for the fall, then on a rolling basis thereafter.

Students who found it necessary to leave after completing course work at Hofstra University may apply for re-admission by filing this application.

Hofstra University Honors College (HUHC), through an innovative curriculum centered in the liberal arts and compatible with all majors, serves students who perform at the highest academic levels in all undergraduate programs. The HUHC curriculum is designed to provide a wide-ranging and multidisciplinary intellectual experience while fostering a sense of community and identity among the cohort of students who share the HUHC experience. High-achieving applicants are invited to participate. SAT scores for the middle 50 percent of the fall 2007 Honors College class range from 1280 to 1360.

New College for Interdisciplinary Studies offers an innovative approach to learning that includes the opportunity to build your own, interdisciplinary Bachelor of Arts degree and a wide selection of study abroad programs and domestic and international internships.

Physician Assistant (PA) Studies Program educates competent and compassionate professionals by building upon a strong liberal arts and sciences foundation. The professional track begins in the junior year, and all prerequisite course work (the pre-PA phase) must be completed prior to entering the professional track. All students interested in PA Studies must be admitted to Hofstra University prior to being considered for the program. Once admitted to Hofstra, transfer students may apply by completing the PA Studies application. The selection committee will contact applicants regarding an interview. For further information, visit hofstra.edu/pap, e-mail PAprogram@hofstra.edu, or call (516) 463-4074.

Note: If you have already earned a bachelor's degree, you must apply directly to the Physician Assistant Studies Program. Do not complete this application.

School for University Studies (SUS) offers an SAT-blind program designed for first-year students whose academic performance does not yet reflect their full potential. The program seeks to accomplish its goals through a broad assignment of specially designed instructional resources. Full-time members of the University faculty are responsible for the academic programs and for student advisement. Additional members of the University's faculty help ensure a full array of first-year courses. For further information, visit hofstra.edu/SUS, e-mail SUS@hofstra.edu, or call (516) 463-5840.
