In addition to our goals, we understand Hofstra University's stand against hazing. Specifically, we know that, Hofstra University defines hazing as follows:

“Hazing has been defined as generally including, among other things:

- A. Any action or situation which recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor, drugs, food, beverage or other substances for the purpose of initiation into or affiliation with any organization.
- B. Any other act or series of acts which cause or are likely to cause mental or physical harm or danger.
- C. Mistreatment by playing stunts or practicing abusive, humiliating or abusive tricks that subject an individual to personal indignity, humiliation or ridicule.
- D. Harassment by enacting unnecessary, disagreeable or difficult work by banter, ridicule or criticism. Some examples of such activities include:
 - abnormal or unusual dress holding the wearer to ridicule, e.g. extraordinary headgear, costumes, underwear, body painting.
 - performing unusual or abnormal acts e.g., dancing on tables, standing at attention, standing on window sills, etc.
 - excessive or unusual physical exercise, e.g., crawling, duckwalk, pushups, situps, skipping, hopping, squatting, etc.
 - verbal harassment or abuse, e.g. yelling, making demeaning remarks, etc.”
