Session **Descriptions**

Admissions and Financial Aid Information Session

Members of the Hofstra Enrollment Services team explain the Hofstra admission and financial aid processes. Financial aid opportunities and the guidelines students must follow to ensure full consideration for scholarships and financial aid will be discussed. University, state and federal programs are highlighted.

Athletics

A representative of the Department of Athletics discusses athletic opportunities available to Hofstra students at 1 p.m. in Room 246, Business Development Center. A representative will be available in the Plaza Room, Student Center from Noon-3 p.m.

Audio/Video/Film

Academic presentation and AVF studio production.

Business–Zarb School Overview

Learn how to choose a program within the Frank G. Zarb School of Business.

The Career Center – *Careers for a New Millennium*

Learn about the Career Center and its extensive resources. Learn steps to take now to ensure post-college success, and discuss the current job market for college graduates.

Dining Services

A representative from Dining Services introduces the many dining options on campus.

First-Year Program

Among the programs Hofstra offers to first-year students is FYP, or First-Year Program. FYP opens up an exciting world of study with small classes grouped in clusters related by a common theme, dedicated instructors, an innovative interdisciplinary curriculum and a supportive community of fellow first-year students.

Honors College

Hofstra's Honors College is designed for academically gifted students who want the opportunity to develop their intellectual capabilities by becoming part of a special academic community where honors courses, special seminars and honors residential living options are available. This workshop presents the benefits of this innovative program.

International Studies Panel Discussion

Includes Africana Studies, Asian Studies, European Studies, Latin American and Caribbean Studies, Middle Eastern and Central Asian Studies.

Languages and Study Abroad Programs Panel Discussion

Includes Comparative Literature and Languages, which includes *Arabic, Chinese, German, Hebrew, Japanese, Modern Greek, Latin, Russian, Swahili, Asian Studies, Classics, Jewish Studies, Linguistics, Comparative Literature and Literature in Translation*; Romance Languages and Literatures; and Study Abroad programs.

Medical Sciences Panel Discussion

Includes Biology, Physician Assistant Studies Program, Pre-Dental Studies, Pre-Medical Studies and Speech-Language-Hearing Sciences.

Military Science–Army ROTC Scholarship Information Session

Learn about the benefits of the Hofstra University Army ROTC Program, including leadership training and scholarships.

New Opportunities at Hofstra (NOAH)

New Opportunities at Hofstra (NOAH) is a special admission educational opportunity program open to New York State residents who are in need of academic and financial support while pursuing higher education. NOAH is the HEOP Program at Hofstra. This workshop discusses admission to NOAH, the responsibilities of NOAH students, and the support services and financial aid resources available to NOAH students. A representative will be available from Noon-3 p.m.

Office of Freshman Advancement – *Transition to the First-Year Experience*

Representatives from the Office of Freshman Advancement discuss the first-year experience, including academic planning, summer orientation and the transition to university life.

Office of Student Employment

Learn about employment opportunities available to Hofstra students.

PALS – Program for Academic Learning Skills

Program for Academic Learning Skills (PALS), a division of the School for University Studies, provides auxiliary aids and compensatory services to certified learning disabled students who are regularly admitted to Hofstra University. In addition, learning disabled applicants who are not eligible for admission to Hofstra may request consideration through PALS. A representative will be available from Noon-3 p.m.

Residential Life

Representatives from the Office of Residential Life discuss the on-campus living options available for Hofstra students.

Saturday College

Saturday College admits mature, nontraditional students who wish to complete an undergraduate degree within four years without interrupting their career and life responsibilities. It is designed for serious, goal-oriented students who know the value of their time and the importance of an education. Saturday College awards the degree of bachelor of science in professional studies.

Sciences Panel Discussion

Includes Astronomy, Biology, Chemistry, Geology and Physics.

Social Sciences Panel Discussion

Includes Anthropology, Economics, Geography, Labor Studies, and Sociology.

Student Life Highlights Show

Meet students and representatives from our Dean of Students Office to learn how to maximize your total college experience through our many student life programs. Student groups provide entertainment.

Study Abroad Programs

A Study Abroad Program adviser discusses how studying overseas can expand your educational horizon and help you market yourself to future employers.

Transfer Student Admission and Advisement

Transfer Admission professionals present a comprehensive review of the transfer admission process, scholarship awards for transfer students and evaluation of transfer credit. An overview of advisement and registration procedures is also given.

Hofstra University is located in Hempstead, Long Island, New York, approximately 25 miles east of Manhattan, less than an hour away by train or automobile.

The Long Island Rail Road (LIRR) has frequent trains from Pennsylvania station in New York City to Hempstead station, a mile and a half from the Hofstra campus.

Hofstra is approximately 30 minutes by car from either John F. Kennedy International Airport or LaGuardia Airport.

By car, travel on the Long Island Expressway, Northern State Parkway or Southern State Parkway to Meadowbrook State Parkway to exit M4 (Hempstead Turnpike); then proceed west on Hempstead Turnpike to the Hofstra campus (approximately one mile).
