PANEL IX-C:

**WORKSHOP: PEACE EDUCATION IN THE
SHADOW OF WAR**

The shock of the attacks on the World Trade Center and Pentagon brought a range of reactions, many shaped by the ideals of patriotism and war. This experiential workshop will offer some fundamental principles and methodologies of peace education in order to consider multiple humane and imaginative alternatives. The participants will consider how reflecting upon emotional responses to these events can be used with students in a process of cooperative learning. The focus will be on developing a deeper understanding of what gives both meaning and security to our lives.
